Re: Harold Chorney

Dear Henry:

I have reviewed the materials which I believe you dropped off yesterday regarding your client's allegations. I have wasted more than enough time in my career reviewing allegations by Mr. Chorney. Please advise Mr. Chorney that his case is over and his conviction has been affirmed. Furthermore, even if there is a basis for his allegations of criminal activity by others, they are barred by the statute of limitations. I also take into consideration Mr. Chorney's position in court that he is not of sound mind. Finally, as you may suspect, Mr. Chorney has no credibility with this office. Consequently, this office will not be conducting an investigation as requested in Mr. Chorney's letter of April 30, 2002.

If you have any questions regarding this letter, you may call me at any time.

Sincerely yours,

MARGARET E. CURRAN  
United States Attorney
